Cold, Cold World

Carl Thomas

I can remember the day I left you, wasn't that long ago
I said some things I shouldn'ta said, and I'm sorry
But you know? Ever since that day, I've vowed to myself
To get you 'round again, just listenSitting here wondering what went wrong
Why did you have to leave me? 'Cuz I don't really wanna go on
Because I'd rather plead and beg you to stay
'Cuz I need you woman, every single dayIt's a cold, cold, cold world
Living here without you in my life
Although I try to get along, but I can't
'Cuz I need you to be here, why oh why?'It's a cold, cold, cold world
Living here without you in my life
Although I try to get along, but I can't
'Cuz I need you to be here, why oh why?'Baby love, could you tell me what's on your heart?
Because I really wonder if we can make a brand new start
'Cuz I'd rather die then live without your smile
Come on back home, baby, I been missing you for a whileIt's a cold, cold, cold world
Living here without you in my life
Although I try to get along, but I can't
'Cuz I need you to be here, why, oh why?'It's a cold, cold, cold world
Living here without you in my life
Although I try to get along, but I can't
'Cuz I need you to be here, why, oh why?It's a cold cold cold world
Living here without you in my life
Although I try to get along, but I can't
Cuz I need you to be here, why, oh why?It's a cold, cold, cold world
Living here without you in my life
Although I try to get along, but I can't
'Cuz I need you to be here, why, oh why?Girl, all the wealth I have, really doesn't mean a thing
If I can't share it with you, baby, don't think I'd survive
Well, I've had it all, lost it all to have you, girl
I'd throw it all away, oh, baby, I need youIt's a cold, cold, cold world
Living here without you in my life
Although I try to get along, but I can't
'Cuz I need you to be here, why oh why?It's a cold, cold, cold world
Living here without you in my life
Although I try to get along, but I can't
'Cuz I need you to be here, why, oh why?It's a cold, cold, cold world
Living here without you in my life
Although I try to get along, but I can't

'Cuz I need you to be here, why, oh why?It's a cold, cold, cold world
Living here without you in my life
Although I try to get along, but I can't
'Cuz I need you to be here, why, oh why?
