

# Time We Left This World Today

## Hawkwind

Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world todayTime we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world todaySo many people seem to say  
So many people seem to say  
So many people seem to sayThey watch you as you walk the street  
They watch you as you walk the street  
They watch you as you walk the street  
They watch you as you walk the streetCast sly glances at who you meet  
Cast sly glances at who you meet  
Cast sly glances at who you meetBrain police are not far behind  
Brain police are not far behind  
Brain police are not far behind  
Brain police are not far behindTime we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world todayTime we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world todaySo many people seem to say  
So many people seem to say  
So many people seem to sayThey watch you as you walk the street  
They watch you as you walk the street  
They watch you as you walk the streetCast sly glances at who you meet  
Cast sly glances at who you meetBrain police are not far behind  
Brain police are not far behind  
Brain police are not far behindTime we left this world today  
Time we left this world today  
Time we left this world today  
Time we left this world today  
Time we left

Time we left  
Time we left  
Time we left
