Two Sides To Every Story

Five

Yea yea, come onTwo sides from the heart, well it's alright, alright
Wanna know about me, well it's the way, it's got to be
There's more to me than what you see on TV screens is make believe
Think you know about us, well it's an element of trust
Come talk to me respectfully 'cause these days we're public property
Ohh ohh ohh, from the heart
Ohh ohh ohh ohh, like us from the start'Cause there's two sides to every story
If you can know me, you gotta show me
But it's alright, don't be sorry
It's just the way I am
'Cause there's two sides to every story
If you can know me, you gotta show me
But I'm telling you once again, "You gotta go for who I am"
I'm telling you once again, "You gotta go for who I am"Yeah yeah, it's alright, I'm telling you, "There's two sides"
Yeah, yeah it's alright, it's the just the way I amDo you care about me or the pictures that you see?
Are we just a face without a personality?
Yeah, yeah
Do you care about us or the funking that we bust?
There's more to us than magazines
And dance routines and teenage dreams
Ohh ohh ohh, oh yeah, from the heart
Ohh ohh ohh ohh, like us from the start'Cause there's two sides to every story
If you can know me, you gotta show me
But it's alright, don't be sorry
It's just the way I am
'Cause there's two sides to every story
If you can know me, you gotta show me
But I'm telling you once again, "You gotta go for who I am"
I'm telling you once again, "You gotta go for who I am"Yeah yeah, it's alright, I'm telling you, "There's two sides"
Yeah yeah, it's alright, I'm telling you, "There's two sides"
Yeah yeah, it's alright, I'm telling you, "There's two sides"
Yeah yeah, it's alright, it's the just the way I am'Cause there's two sides to every story
If you can know me, you gotta show me
But it's alright, don't be sorry
It's just the way I am
'Cause there's two sides to every story
If you can know me, you gotta show me

But I'm telling you once again, "You gotta go for who I am"
I'm telling you once again, "You gotta go for who I am"'Cause there's two sides to every story
If you can know me, you gotta show me
But it's alright, don't be sorry
It's just the way I am
'Cause there's two sides to every story
If you can know me, you gotta show me
But I'm telling you once again, "You gotta go for who I am"
I'm telling you once again, "You gotta go for who I am"
I'm telling you once again, "You gotta go for who I am"
