

How Soon

Martha Wainwright

How soon will I be seeing you?
How soon? I wish I really knew
And when will I be hearing words I wanna hear?
Pretty little love words whispered in, in my ear
How soon will I be seeing you
And dance the way we used to do?
I see the starlight gleaming, forgive me if I'm dreaming
Tell me, honey, now, how soon?
And when will I be hearing words I want to hear?
Pretty little love words whispered in, in my ear
How soon will I be seeing you
And dance the way we used to do?
I see the starlight gleaming, forgive me if I'm dreaming
Tell me, honey, now, how soon?
