## The Bad Things

Twilight  
I'm loving this Twilight  
I'm loving this Twil -la -la -la -la -la -la -la -la -la  
Twilight  
Baby  
I've known you for a long, long time  
I never thought that we would find  
What were holding in our hands  
Lately  
I've been thinking I should make you mine  
Been thinking that we should define  
What we are, What we are  
oh oh  
And you know I love to be in control  
But recently I don't know what to do  
I'm losing it over you  
ohhhhh  
Ooh la Ooh la  
When you say my name  
I can feel the flame  
Getting stronger  
Oh let me hear you say  
Ooh la Ooh la  
We both feel the same  
And I can't play this game any longer  
Oh boy  
I'm loving this Twilight  
I'm loving this Twilight  
I'm loving this Twil -la -la -la -la -la -la -la -la -la  
Twilight  
Closer  
I love it when you lean in close  
You Touch my heart like you don't know  
And Imma show you, yeah  
Imma show you now  
And you know I love to be in control  
But Recently I don't know what to do  
I'm losing it over you  
Ooh la Ooh la

When you say my name  
I can feel the flame  
Getting stronger

Oh let me hear you say  
Ooh la Ooh la  
We both feel the same  
And I can't play this game any longer

Oh boy  
I'm loving this Twilight  
I'm loving this Twilight  
I'm loving this Twil -la -la -la -la -la -la -la -la -la  
Twilight

Yeah girl,I think about you  
All of the time

I love your smile  
And the way you shine  
Wondering How

I'm gonna make you mine  
When it turns to night

I will make it right  
So many thing I've been  
waiting to say

Held in my heart  
For a day like today  
I wanna hold you till the  
light fades away

I wanna hold you till the  
light fades away  
Ooh la Ooh la

When you say my name  
I can feel the flame  
Getting stronger

Oh let me hear you say  
Ooh la Ooh la  
We both feel the same  
And I can't play this game any longer

Oh boy  
I'm loving this Twilight  
I'm loving this Twilight  
I'm loving this Twil -la -la -la -la -la -la -la -la -la  
Twilight

I'm loving this Twilight  
I'm loving this Twilight  
I'm loving this Twil -la -la -la -la -la -la -la -la

Twilight  
Twilight.
