## Far East Movement

Going out every weekend  
Spending all of my money  
Now that I'm alone  
I ain't got no time for lovin'Ooh ooh, I don't know what to do with myself  
(Don't know what to do, I don't know what to do)  
Ooh ooh, I don't know what to do with myself  
(Don't know what to do, I don't know what to do)Fuck bitches, get money  
Fuck bitches, get money  
Fuck bitches, get money  
Fuck bitches, get money  
Fuck bitches, get money  
Fuck bitches, get money  
Uh, I'm talking dolla, dolla, dolla, dolla bill  
She fuck for free, I tried to feed her, bring that beer  
I'm never drinking, that's some shit that I ain't used to  
But if they throw that pussy at you, what would you do?  
I gotta knock it down like I do to Caddy do's  
I gotta flip it like screens when I'm on fo's  
I told her "get down and get down on the floor"  
The type of freak you pay for me, you never know  
We on that layer, tryna pair us, force us on the slash  
Owing to the lights, the whip look so dramatic  
Why dodging it, dance and speeding through the traffic  
To get home and bust these bands on that ass  
Big bang bro, we flexin' it to the max  
Money make her come, she don't know how to end  
If it ain't fucking bitches that gettin' straight through the wealth  
Shawty, I don't know what to do with myself, Krizzle  
Fuck bitches, get money  
Fuck bitches, get money  
Fuck bitches, get money  
Fuck bitches, get money  
Fuck bitches, get money  
Fuck bitches, get money  
Fuck bitches, get money  
Yeah, living on airplane mode  
Never wanna change with the L.A. flow  
Different shoes, different legs through the valet doors  
Put you on the payroll not your everyday hoes

Private with the pimpin keep it tinted Benzo  
Fuck bitches, get riches be the fuckin' M.O.  
'Cause I innovate, I don't play with imitate dough  
Stay cuttin' mad fishes up Hattori HanzoFlippin' scales, sippin' pales  
Robbin bad bitches blind, watch me fingerbang in Braille  
Pin the tails, yo I never fail  
Gimme one night with the fatty, kill the kitty, then I wish it well  
Playa by the code, feed 'em thru the nose  
White bitches diggin' like an interview in Vogue  
Frosted with the cinnamon, I'm fuckin' witcha both  
Four queens with the king make a muthafucka foldGoing out every weekend  
Spending all of my money  
Now that I'm alone  
I ain't got no time for lovin'  
Ooh ooh, I don't know what to do with myself  
(Don't know what to do, I don't know what to do)  
Ooh ooh, I don't know what to do with myself
