

Revolt

Muse

How did we get in so much trouble?
Getting out just seems impossible
Oppression is persisting
I can't fight this brain conditioning Our freedom's just a loan
Run by machines and drones
They've got us locked into their sights
Soon they'll control what's left inside Don't try to hide it, don't tell me it's not there You've got strength
You've got soul
You've felt pain
You've felt love
You can grow (You can grow)
You can grow (You can grow)
You can make this world what you want
You can revolt
You can revolt
You can revolt Can you hear a distant thunder
Taste earth's blood and hunger
We live in a toxic jungle
Truth is suppressed to mumbles They'll take away our homes
They're just machines and drones Don't try to fight it, don't tell me you can't see That you've got strength
You've got soul
You've felt pain
You've felt love
You can grow (You can grow)
You can grow (You can grow)
You can make this world what you want
You can revolt
You can revolt
You can revolt I can feel your pain
I can feel your confusion
I can see you're trapped in a maze
Let's find a way to escape You've got strength
You've got soul
You're not afraid
You're not a drone
You can grow (You can grow)
You can grow (You can grow)
You can make this world what you want
You can revolt

You can revolt
You can revolt
