## Billy Idol

Ridin' my life, like a run-a-way train  
Moving from one track to that  
Howlin', cryin', screamin' at the moon  
Only my voice came back  
Only the echo came back  
When I was a boy  
Daddy told me, grow tall  
Yes and Billy don't crawl  
Taught me how to ride  
Set me out on my own and I never came back  
And yes, I'd do it again  
Oh, wouldn't you  
Yeah, I'd do it again  
A-huh, oh yeah  
Do it again, baby  
Wouldn't you?  
Remember when I lied  
Just when you needed me  
Now I sit alone and cry  
'Cos now I believe in mercy  
Remember when I lied  
Just when you needed me, baby  
I believe in mercy  
Ridin', walkin', lookin' so cool  
Guess I crossed over the borderline  
Treated like a dunce  
Who just can't read  
Did I fool me too?  
And yes, I'd do it again  
Oh, wouldn't you?  
Yes, I'd do it again  
Aha yeah, I'd do it again  
Baby, wouldn't you?  
Remember when I lied  
Just when you needed me  
Now I sit alone and cry  
'Cos now I believe in mercy  
Remember when I lied  
Now that you needed me

Yes, I believe in mercy  
I said, "Come here"  
Look into my face  
And hear into my heart  
Hesitation could re-arrange  
The other side to your love  
Take hold now baby  
And take what  
Other lovers have not  
Times is changin' will they re-arrange  
The other side to your love  
No, woah, woah, woah, yeah  
Woo  
Come home  
Here he is impatient one  
Come home  
Come home  
Tell the story  
Come home  
Here he is  
The impatient one  
Come home  
To claim a glory  
Prodigal son  
Come home  
Prodigal bum  
Come home  
Prodigal son  
Prodigal son  
Come home  
To claim a glory  
Prodigal son  
Come home  
Prodigal bum  
Here he comes  
Yeah, that prodigal son  
Ooh, he's the one  
To tell his story  
C'mon to tell his story  
C'mon to tell his story  
C'mon to claim his glory  
Prodigal son
