

Caged Rat

Soul Asylum

Why don't you go home, crawl into your hole
Why don't you go home, spend some time alone

In the corner, I looked across the room
To other corner, I knew I'd be there soon

Caged rat, caged rat

Caged rat, caged rat

Caged rat, caged rat

Rat, caged rat

Caged rat, caged rat

Caged rat, caged rat

Corner, in the corner

In the corner, I looked across the room

I knew I'd be there soon, in the corner

Caged rat, caged rat

Caged rat, caged rat

Caged rat, caged rat

Rat, caged rat

Caged rat, caged rat

Caged rat, caged rat

Why don't you go home, crawl into your hole
Why don't you go home, spend some time alone

From the corner I looked across the room
To the other corner, I knew I'd be there soon

Caged rat, caged rat

Caged rat, caged rat

Caged rat, caged rat

Rat, caged rat

Caged rat, caged rat

Caged rat, caged rat
