

You'll Never Be Alone

Anastacia

The world is changin' and time is spinnin' fast
It's so amazing how you came into my life
I know it seems all hope is gone
I know you feel you can't be strong
And once again the story ends with you and I
And anytime you feel like you just can't go on
Just hold on to my love and you'll never be alone

Hold on

We can make it through the fire

And my love

I'm forever by your side

And you know

If you should ever call my name

I'll be right there

You'll never be alone

Hopeless to describe the way I feel for you

No matter how I try words would never do

I looked into your eyes to find

As long as love is alive

There ain't nothing we can't make it through

Anytime, or if only for a while, don't worry

Make a wish, I'll be there to see you smile

Ooh, ohh

Hold on

We can make it through the fire

And my love

I'm forever by your side

And you know

If you should ever call my name

I'll be right there

You'll never be alone

Through the fire, by your side

I will be there for you so I'm, don't you worry

And you know, I'll be there

You'll never be a, alone

Hold on

We can make it through the fire

And my love

I'm forever by your side
And you know
If you should ever call my name
I'll be right there
Oh baby, hold on
Hold on
We can make it through the fire
We can make it baby
And my love
I'm forever by your side, yeah
And you know
You should ever call my name
I'll be right there
Hold on
We can make it through the fire
My love
I'm forever by your side
And you know
You should ever call my name
