

Anything At All

Crosby, Stills & Nash

Anything you want to know, just ask me
I'm the world's most opinionated man
I'll give you an answer if I can
Catch one passing through
That feels right for you
Anything you want to know, just ask me
It's worth every cent it costs
And you know it's free for you
Special deal
Anything you want to know
It should be perfectly clear
You see just beneath the surface of the mud
There's more mud here, surprise
Is there anything you want to know
On any subject at all?
I've got time for one more question here
Before I fall, fall, is there anything at all
