

# Angel's Wings

Westlife

I would die for you, lay down my life for you  
The only thing that means everything to me  
'Cause when you're in my arms, you make me prouder than  
Than anything I ever could achieve And you make everything that used to seem so big  
Seem to be so small since you arrived On angel's wings, an angelical formation  
Angel's wings, like letters in the sky  
Now I know, no matter what the question  
That love is the answer, it's written on angel's wings And I often wonder why, someone as flawed as I  
Deserves to be as happy as you make me, oh yeah  
So as the years roll by, I'll be there by your side  
I'll follow you wherever your heart takes me 'Cause you make everything that used to be so big  
Seem to be so small since you arrived On angel's wings, an angelical formation  
Angel's wings, like letters in the sky  
Now I know, no matter what the question  
That love is the answer, it's written on angel's wings Now anyone who's felt the touch of heaven in their lives  
Will know the way I'm feeling, looking in my baby's eyes  
That's why I can't bear to be too far away  
I know that God must love me 'cause he sent you to me On angel's wings, an angelical formation  
Angel's wings, like letters in the sky  
Now I know, no matter what the question  
That love is the answer, it's written on angel's wings Love is the answer, it's written on angel's wings
