

# The Sky And The Dawn And The Sun

## Celtic Woman

High is the moon tonight  
Hiding it's guiding light, high  
Heaven and earth do sleep, still in the dark so deep  
I will the darkness sweep I will the moon to flight, I will the heaven's bright  
I will the earth to light  
Open your eyes with me, see paradise with me  
Awake and arise with me I am the dawn, I'm the new day begun  
I bring you the morning, I bring you the sun  
I hold back the night and I open the skies  
I give light to the world, I give sight to your eyes From the first of all time, until time is undone  
Forever and ever and ever and ever  
And I am the dawn and the sky and the sun  
I am one with the one and I am the dawn
