FREAK ME

Brain Drive

Freak me baby, ahh yeah
Freak me baby
Freak me baby, ahh yeah
Freak me baby
Let me lick you up and down
'Til you say stop
Let me play with your body baby
Make you real hot
Let me do all the things you want me to do
'Cuz tonight baby, I wanna get freaky with you
Baby don't you understand
I wanna be your nasty man
I wanna make your body scream
And you will know just what I
24 carat gold
To warm the nights when you get cold
I wanna lick you up and down
And then I wanna lay you down
C'mon silk
Let me lick you up and down
'Til you say stop
Let me play with your body baby
Make you real hot
Let me do all the things you want me to do
'Cuz tonight baby, I wanna get freaky with you
I love the taste of whip cream
Spread it on don't be mean
You know I can't resist you girl
I'll fly you all around the world
I wanna make your body drip
C'mon let me take a sip
Take off what you cherish most
'Cuz when I brag I like to brag and boast
Let me lick you up and down
'Til you say stop
Let me play with your body baby
Make you real hot
Let me do all the things you want me to do
'Cuz tonight baby, I wanna get freaky with you

You, you, you, you
Oh you
You, you, you, you
Let me freak you
You, you, you, you
All of you
Yeah, come on, come on
You, you, you, you
Oh you
You, you, you, you
Let me do you
'Cuz tonight baby, I wanna get freaky with you
Let me lick you up and down
'Til you say stop
Let me play with your body baby
Make you real hot
Let me do all the things you want me to do
'Cuz tonight baby, I wanna get freaky with you
Let me lick you up and down
'Til you say stop
Let me play with your body baby
Make you real hot
Let me do all the things you want me to do
'Cuz tonight baby, I wanna get freaky freaky
Let me lick you up and down
'Til you say stop
Let me play with your body baby
Make you real hot
Let me do all the things you want me to do
'Cuz tonight baby, I wanna get freaky with you
