

Louder Than a Lion

Eisley

Honey baby sleep tight
Sleep tight
Baby, precious, those bugs won't biteCause I'm louder than a lion
My hands wipe out the ghosts
I'm brighter than a diamond
My light will shine the mostAhhhhhh Ahhhhh
Ahhhhhh Ahhhhh
We fall backwards faster than the speed of sound
If you want to fly we're able
If you want to flee I'm stable
I'll stand and fight when you're wrong(Ahhhhhh) We can stay in the moment
Don't hold your breath too long
(Ahhhhhh) Try my best not to hurt you
Won't squeeze your hand too tightLovely let me be still tonight
Shadows circling, your eyes won't shutCause I'm louder than a lion
My hands wipe out the ghosts
I'm brighter than a diamond
My light will shine the most
(Ahhhhhh) We can stay in the moment
Don't hold your breath too long
(Ahhhhhh) Try my best not to hurt you
Won't squeeze your hand too tight
(Ahhhhhh) I can't tell if you hear this
Just blink once if you can
(Ahhhhhh) I can see my reflection
In the palm lines of your hand
