

My Bed (feat. Will Hoge)

Sunny Sweeney

I don't know you
I don't miss you when your gone
You don't know me
Baby where did we go wrong
I don't need you
Ain't this over yet
Now your just sleeping in my bed
You don't touch me
You don't kiss me goodnight
I don't touch you
Just turn out the lights
Close my eyes and pull the covers over my head
Now your just sleeping in my bed
Your just sleeping in my bed
We're both wishing we were anywhere else instead
All the love we had is dead
Now your just sleeping in my bed
I remember the day I took your name I surrendered gave you everything
I'll always love you at least that's what we said
Now your just sleeping in my bed
Your just sleeping in my bed
We're both wishing we were anywhere else instead
All the love we had is dead
Now your just sleeping in my bed
I don't know you
I don't miss you when your gone
You don't know me
Baby where did we go wrong
End
