

Herb Shuttles

The Underachievers

Advisory - the following lyrics contain explicit language:

[Issa Dash]One mic, in the mothafuckin' studio
Spit gold, when a nigga hit this flow
You sink, we float, no heathens on my boat
Sour diesel when I hit good smoke
Guided by the light, nigga keep your dark
Third eye sharp like a mothafuckin' hawk
Heart stay mellow like a fuckin' meadowlark

Better play smart, before you get eatin' by sharks, nigga[AK]Enter the game, know what's up

Little bit of fame, little bit of drugs
Shawty see the chain, same night in her guts
We don't play, UA that's us
Smoking sensi, high sensei in your membrane
Men slay everyday, for the means of justice, trust it
Be the reason why I say "Fuck this, Fuck This"

Elevate my mind, I'mma push it[Issa Dash]Ok, I'm smoking up on my herb shuttles

Elevated, nigga that's the motto
Floating up, a nigga live full throttle
That pink moscato, she drink the bottle
Knowledge nigga, crown the kings
Got the wisdom from the light like Socrates
You ain't about that life, nigga drop to your knees

In the presence of mothafuckin' legend my G[AK]G, I'm a legend my G

Reefer blowin', sour diesel potent
Got my 3 eyes open, Pineal gland is swollen
Astral Planes I'm floatin', God dammit, I'm free
I be GOD, please you are not in my league
Got the spirit of Assata, honor, I be gavel free
Battle scars on my bars, red stars, I'm elite

UA elevate, fear the mark of the beast[Issa Dash]Herb shuttles, I'm gettin' high

In the solar, nigga fuck the skies
Beastcoast, we on the rise
We resurrected from out your mind

Nigga, from out your mind
Mothafucks think they good cuz' they livin' lies
 Oh, Oh you livin' lies
But we killin' these niggas, we ain't even trying
 Bow down to the pharaoh
Only got time for that good shit and my cashflow
 UA niggas save souls
Mix the Dream with the mothafuckin' hash so it burn slow
 Kick back counting pesos
Do my mind a little different so my mothafuckin' brain grow
 Two L's when I take off
 You ain't about that life
 Get your mind up, times up
Elevate, you lil' niggas hella fake
 I'm on my shit like toilets
 You ain't gangbangin' shit
 Like chip throwing tantrums
Mothafuckas can't hang with us

Enlighten like thunder and rain, Fuck America, New world freedom ring
Enlighten like thunder and rain, Fuck America...[AK]This that indigo anthem
 Fly like passports, no randoms
 Searchin' for that purpose, merge with
 A little bit of piece of mind on this earth, bitch
 Earth shift of a kind

Esoteric tattoos, mad jewels, cash rules, married to the blind
I'm on another plateau, camels get the cash ghost, how I Rose, Derrick in his prime
 Climb to the top of a mountain, top of your dreams, chop chop
 Then you find a fountain of gleam, fear not

You don't need a pocket of green, just the gold in your heart and your eyes, Supreme King
 Like J's, beat game and receive ring
 Metaphor for the lord, and Ima deploy

Trap jaws on the holy Cross, lights stream nigga all aboard, the world's yours
 So I puff the herb to levitate
 Living my life a God, I got faith
 Ya'll nigga faker than making your own bait
 Flatbush, Beastcoast nigga, All day

All about peace and love, of course knowledge
Spreadin' they own peace, they lovin' it cuz I'm God sent
 Ever since a kid, I was never one to gossip

So watch how you talkin' when you talkin' to them prophets, nigga
