I Will

Bianca Ryan

How do I put into words?
That my feelings for sure
You're the one I'm here forI, I'll come more into you
Nothing I wouldn't do
I would never desert you, hurt you
I want you to knowWho's gonna be there
Standing by your side forever?
And who's gonna help you
When you can't keep it all together?And who's gonna promise
That they'll never leave you all alone?
I will, I will, I will for youTry when the night feels too long
When all your hope is gone
I'll show you how to carry on'Cause now in your eyes I can see
Everything you can be
And if you're lost I will find you, remind you
Don't you know?Who's gonna be there
Standing by your side forever?
And who's gonna help you
When you can't keep it all together?And who's gonna promise
That they'll never leave you all alone?
I will, I will, I willFor what I believe, I'd risk everything
You know I believe in you
And you're willing to fight 'cause you know deep inside
It's the right thing to doIt's the chance that you take
It's the bond that won't break
Love is the one thing
That never, ever endsWho's gonna be there
Standing by your side forever?
Who's gonna help you
When you can't keep it all together?And who's gonna promise
That they'll never leave you all alone?
I will, I will, I will for you I willWho's gonna be there
Standing by your side forever?
Who's gonna help you
When you can't keep it all together?And who's gonna promise
That they'll never leave you all alone?
I will, I will, I will for you I will, I will
