

# Are You Sure Hank Done It This Way?

Steve Earle

It's the same old tune, fiddle and guitar  
Where do we take it from here  
Rhinestone suits and new shiney cars  
We've been the same way for years  
We need to change  
Somebody told me when I got to Nashville  
Son you finally got it made  
Old Hank made it here, we're sure that you will  
But i don't think Hank done it this way  
I don't think Hank done it this way  
Ten years down the road, making one night stands  
Speeding my young life away  
Tell me one more time just so i understand  
Are you sure Hank done it this way  
Did Ol' Hank really do it this way?  
I've seen the world with a five piece band  
Looking at the back side of me  
Singing my songs and one of his now and then  
But I don't think Hank done it this way  
No I don't think Hank done it this way.
