Hanalei

Xavier Rudd

Chorus
Come on mumma give me what you got, hanalei hanalei
Come on mumma give me what you got, hanalei hanalei
Butterfly the catcher and the dove, hanalei hanalei
Come on mumma give me what you got, hanalei hanaleiYour waters decending, from your mountains ascending
To my arteries for cleansing, from the arteries of life
Your mountain says aloha, to the roots of the Lapuna
And the old man Ayahuasca on the quest for where and whyChorus
Come on mumma give me what you got, hanalei hanalei
Come on mumma give me what you got, hanalei hanalei
Butterfly the catcher and the dove, hanalei hanalei
Come on mumma give me what you got, hanalei hanaleiYou're spraying your chemicals to increase your decimal
To continue domination, keep holding people downChorus
Come on mumma give me what you got, hanalei hanalei
Come on mumma give me what you got, hanalei hanalei
Butterfly the catcher and the dove, hanalei hanalei
Come on mumma give me what you got, hanalei hanaleiBridge
I'm only a man in my prime though my hans are tied
If you show me the way I will go
See we've all been designed to reveal our own knots we have tied
We've all been designed to believe and I believe
I will goThe trick about recognition, the trick about reconciliation
Can one man fight his demons with another man holding him down
The trick about recognition, the trick about reconciliation
Can woman birth creation with a sister holding her downChorus
Come on mumma give me what you got, hanalei hanalei
Come on mumma give me what you got, hanalei hanalei
Butterfly the catcher and the dove, hanalei hanalei
Come on mumma give me what you got
