A Is for Action

Ima Robot

A is for action
P is for paranoid
A is for anger
Out here in the void
C is for countdown
O is for over
LYPSE are for your lips smashed on mine when the world blows upHang hang hang on
Where do they go?
Save your souls now
Got to stay strong
Hang hang hang on
Hanging on hanging on
Til the old man bangs a gongG is for greed
O is for order
V is for villains in the three-piece suits dividing the borders
E is for empire
R is for revenue
N is for not for me but was
MENT was meant for you and meahhh-ahhh-ahhhHang hang hang on
Where do they go?
Save your soul now
That's a place to start
Hang hang hang on
Hanging on hanging on
Til the old man bangs the gongWe don't care if we're all right
All we want to do is fight
Who cares if we're all right?
Who cares when we can just fight?D is for disease
E is for entropy
A is for acceptance so drop your funeral weapons
T is for time [tick tock tick tock...] and you ain't got much left
H is for heaven or hell now let's hear it for
DEATHBeggars, poets, hustlers
Wall Street, rich boy suckers
Why, friends, you know that no side's
better in the end
We're all gonna fry togetherHang hang hang on
Where should they go?
Save your souls now

That's a place to start
Hang hang hang on
Hanging on hanging on
Til the old man bangsHang hang hang on
Where do they go?
Save your souls now
That's a place to start
Hang hang hang on
Hanging on hanging on
Til the old man bangs a gong
