

# Incomplete

## Sisqo

Whoo

Ooh

Oh yeah yeah

Listen

Bright lights, fancy restaurants

Everything in this world that a man could want

Got a bank account bigger than the law should allow

Still I'm lonely now

Pretty faces from the covers of the magazines

From their covers to my covers wanna lay with me

Fame and fortune still can't find

Just a grown man runnin' out of time

Even though it seems I have everything

I don't wanna be a lonely fool

All of the women, all the expensive cars

All of the money don't amount to you

So I can make believe I have everything

But I can't pretend that I don't see

That without you girl my life is incomplete

Said without you girl ahh

Listen

Your perfume, your sexy lingerie

Girl I remember it just like it was on yesterday

A Thursday you told me you had fallen in love

I wasn't sure that I was

It's been a year, winter, summer, spring and fall

But bein' without you just ain't livin' ain't nothing at all

If I could travel back in time

I'd relive the days you were mine

Even though it seems I have everything

I don't wanna be a lonely fool

All of the women, all the expensive cars

All of the money don't amount to you

I can make believe I have everything

But I can't pretend that I don't see

That without you girl my life is incomplete

Oh yeah that without you girl ahh

I just can't help lovin' you

But I loved you much too late

I'd give anything  
And everything  
To hear you say  
That you'll stay  
Even though it seems I have everything  
I don't wanna be a lonely fool  
All of the women, all the expensive cars  
All of the money don't amount to you  
I can make believe I have everything  
But I can't pretend that I don't see  
That without you girl my life is incomplete  
Even though it seems I have everything  
I don't wanna be a lonely fool  
All of the women, all the expensive cars  
All of the money don't amount to you  
I can make believe I have everything  
But I can't pretend that I don't see  
That without you girl my life is incomplete  
Without you girl  
Without you girl my life  
Without you girl my life, my life is incomplete  
Without you girl my life is incomplete  
Oh yeah, my life is incomplete  
Oh yeah, yeah, yeah
