

# God Won't Get You

[Dolly Parton](#)

Sometimes in my sleep, I hold you close against my skin  
Wakin' up I wish that I could sleep and dream again  
'Cause only in my dreams can I know how it might have been  
But cheaters never win, their heartaches never end But sometimes I get crazy as lovers often do  
Tryin' to please him and wonderin' if she's pleasin' you  
Though they have every right to any part of us they choose  
I still live just for you and our secret rendezvous Torn between two lovers on the jukebox  
I'm thinkin' how I could have wrote that song?

(Woo)

Wonderin' if God loves us when we're cheatin'  
Oh, but why he lets us feel things if it's wrong?  
And I guess, I should be singin' 'Rock of Ages'

(Woo)

'Amazing Grace' and some of those good songs  
But my cheatin' heart will tell on me tomorrow

(Woo)

If you think that God won't get you, well you're wrong Thou shalt not commit it, it's written in the 'Ten'  
The spirit's always willin', but the flesh is weak again  
And you're as close to Heaven as I might ever fly  
And Angel in disguise

A wrong that feels so right Torn between two lovers just keeps playin'

I don't want to be right, if lovin' you is wrong  
I'm wonderin' if God loves us when we're cheatin'

(Woo)

Oh, but why he lets us feel things if it's wrong?  
And I guess, I should be singin' 'Rock of Ages'

(Woo)

'Amazing Grace' and some of those good songs  
But my cheatin' heart will tell on me tomorrow

(Woo)

If you think that God won't get you, well you're wrong My cheatin' heart will tell on me tomorrow

(Woo)

If you think that God won't get you, well you're wrong
