

# Every Day

## The Rasmus

We get along it's like magic has come between us  
We did it all first and now everybody's  
Gotta learn to survive  
Gotta learn to stay alive  
Now you say you just needed to stay away  
Now you say that you are blowing yourself away  
I know well what you mean when you tell me  
We're running out of credit

[Repeat x2]

Yeah, everyday I will see you anyway  
And I want to do something about it

We recognize the lies nothing can stop us now  
We had a blast with most ridiculous stories  
Laughing's keeping us alive, yeah  
And you know that's not a lie  
Now you say don't even smile if you follow me  
I see you're not joking for the first time  
I know well what you mean when you tell me  
We're running out of credit

Everyday I will

I know well that the time has come when  
Everything's been said and done, well  
Maybe we still shouldn't give up oh yeah

Respect the fidelity [Repeat x2]

Everyday I will
