## Dark Medieval Times

The secret Lights in the Sky  
Vision  
All one  
It seemsThe Blades are sharpened  
They will all learn  
Yes, Destroy your Dream  
Your Desert of Dreams  
It's undeserved  
For Dark Medieval TimesHere, upon the Hill  
You all find WisdomWaiting for a lot of  
Endless screamingEndingDesert of Dreams  
Eternity in your Dreams  
Here you are  
Dark Medieval Times
