Ex-Files

Backyard Babies

I'm warm when I'm cold, I'm cold when I'm warm
And nothing seems to be alright
I'm down on my knees and I'm easy to please
When I think 'bout what I did last nightWhen you told me to share and ran my fingers through my hair
Infinity? Yes, I do
But when I cry in your arms or dress up in my charm
I'm not the one sayin' I love youYeah, life is a bomb and it hits so hard
It will bring out the tears from my eyes
Yeah, love is a drag, yes, it can be that bad
When at the end of the rope is your dadI'm the one who loved you
I'm the one who left you behind
FedEx my line
Ex-file and access deniedYou put me up on a stand and read the palm of my hand
What makes you think you know what I've been through?
All the phonies and the gold, are you scared of gettin' old?
Welcome to planet fuckin' deja vuYeah, life is a bomb and it hits so hard
It will bring out the tears from my eyes
Yeah, love is a drag, yes, it can be that bad
When at the end of the rope is your dadI'm the one who loved you
I'm the one who left you behind
FedEx my line
Ex-file and access denied[Incomprehensible]I'm the one, I'm the one
I'm the one, I'm the oneI'm the one who loved you
I'm the one who left you behind
FedEx my line
Ex-file and access deniedI'm the one who loved you
I'm the one who left you behind
FedEx my line
Ex-file and access denied
