

# Iron Man / Children of the Grave

## Ozzy Osbourne

Ozzy lost his mind.  
Can he see or is he blind?  
Can he walk at all,  
Or if he moves will he fall? Is he alive or dead?  
Has he thoughts within his head?  
We'll just pass him there  
Why should we even care? He was turned to steel  
In the great magnetic field  
When he travelled time  
For the future of mankind Nobody wants him  
They just turn their heads  
Nobody helps him  
So he waits his revenge Now the time is here  
For Iron Man to spread fear  
Vengeance from the grave  
Kills the people he once saved Nobody wants him  
They just turn their heads  
Nobody helps him  
Now he has his revenge Revolution in their minds, the children start to march  
Against the world they have to live in  
Oh! the hate that's in their hearts  
They're tired of being pushed around  
And told just what to do  
They'll fight the world until they've won  
And hell comes flowing through. Yeah! Children of tomorrow live in the tears that fall today  
Will the sunrise of tomorrow bring in peace in any way  
Must they live in constant shadow of atomic fear  
Can they win the fight for people or will they disappear? Yeah! So you children of the world listen to what I say  
If you want a better place to live in spread  
The word today  
Show the world that love is still alive you must be brave  
All your children of today are children of the grave. Yeah!
