When Love and Hate Collide (Remastered)

Skylark

You could have a change of heart
If you would only change your mind
Instead of slamming down the phone, girl
For the hundredth time
I got your number on my wall
But I ain't gonna make that call
When divided we stand, baby
United we fallGot the time, got a chance, gonna make it
Got my hands on your heart, gonna take it
All I know, I can't fight this flameYou could have a change of heart
If you would only change your mind
'Cause I'm crazy 'bout you baby
Time after timeWithout you
One night alone
Is like a year without you baby
Do you have a heart of stone
Without you
Can't stop the hurt inside
When love and hate collideI don't wanna fight no more
I don't know what we're fighting for
When we treat each other, baby
Like an act of war
I could tell a million lies
And it would come as no surprise
When the truth is like a stranger
Hits you right between the eyesThere's a time and a place and a reason
And I know I got a love to believe in
All I know
Got to win this timeWithout you
One night alone
Is like a year without you baby
Do you have a heart of stone
Without you
Can't stop the hurt inside
When love and hate collideYou could have a change of heart
If you would only change your mind
'Cause I'm crazy 'bout you baby
Crazy, crazyWithout you
One night alone

Is like a year without you baby
Do you have a heart of stone
Without you
One night alone
Is like a year without you baby
If you have a heart at all
Without you
Can't stop the hurt inside
When love and hate collide
