## In A Minute

## **Ours**

I can be just like the others I can act just like your brother I can dress just like your mother I can be but I don't botherIn a minute, in a minute I can be these things In a minute, don't you get it? Don't you get it? If I was to be as cruel as I could be Would you like to still give all of your life to me?In a minute, in a minute I can be these things In a minute, don't you get it? Don't you get it?I can be just like the others I can act just like your brother I can dress just like your mother I can be but I don't botherIn a minute, in a minute I can be these things In a minute, don't you get it? Don't you get it?In a minute In a minute In a minute In a minute
