Let's give it up

Live it up baby

ë, ~íĈ"ë°"ì§€English Translation:

Liven up the mood; Oh, Let me live

Let's give it up

Live it up baby

Napal Baji (literally bugle pants, but translates to bell bottoms)Whatever the world thinks of me

I'm just going to live the way I amWearing bell bottoms

Putting weight on one leg

Shaking the other

SwaggeringI am not cool, but sometimes I am cool

I am a funny fool, but I'm not to be laughed atI won't go crazy

Cause I am already crazy

I am thick skinned, but my wallet's thick tooMy shoes are shiny

My woman's sexy

My shoulders have shoulder pads

My pants are bell bottomsNapal Baji e-he-ra-di-ya

Napal Napal Napal

Napal Baji e-he-ra-di-ya

Napal Napal NapalLet's go all night, no one can stop us

Everybody, it's player's party

Liven up the mood; Oh, Let me live

Let's give it up

Live it up baby

Napal BajiSome things don't work out just because you try

Leave your worries behind

Charge, charge your energy

Buy a round of drinks
If excited, dance
Would you shut up and let it go It's not wrong, it's just different
Don't judge it, just feel it
It's wrong; it's different
Just don't say that Fool, fool, don't call me that
This fool hates it, you fool My shoes are shiny
My woman's sexy
My shoulders have shoulder pads
My pants are bell bottoms Napal Baji e-he-ra-di-ya
Napal Napal Napal
Napal Baji e-he-ra-di-ya
Napal Napal Napal Let's go all night, no one can stop us
Everybody, it's player's party
Liven up the mood; Oh, Let me live
Let's give it up
Live it up baby
Napal Baji

Napal Baji We're young; Nothing to lose, among Doh-Ge-Gull-Yoot-Moh (Korean board game moves)
It's Moh or Doh (meaning it's all or nothing); Let's go
We're young; Nothing to lose, among Doh-Ge-Gull-Yoot-Moh
It's Moh or Doh; Let's go
Among Doh-Ge-Gull-Yoot-Moh
It's Moh or Doh; Let's go
My pants are bell bottoms Napal Baji e-he-ra-di-ya
Napal Napal Napal
Napal Baji e-he-ra-di-ya
Napal Napal Napal Let's go all night, no one can stop us
Everybody, it's player's party
Liven up the mood; Oh, Let me live
Let's give it up
Live it up baby
Napal Baji
