Dream On

Nazareth

Dream on
Though it's hard to tell
Though you're foolin' yourself
Dream on
You can hide away
There is nothing to say,so dream on
Though it's hard to tell
Though you're foolin' yourself,dream on
You can laugh at me because I'm crying
You can tell your friends how much I begged you to stay
You can live your fantasy without me
But you'll never know how much I needed you
Dream on
It's so easy for you
Though I'm broken in two,dream on
Dream on
You can never see
What you're doing to me,so dream on
You can cross your heart and still be lyin'
You can count the reasons why you thrown it away
You can dream your life away without me
But you'll never know how much I needed you
