Friends And Lovers

George Martin

What would you think if I told you
I've always wanted to hold you?
I don't know what we're afraid of
Nothing would change if we made love.

So I'll be your friend
And I'll be your lover
'Cause I know in our hearts we agree
We don't have to be one or the other
Oh, no, we could be both to each other.

Yes it's a chance that we're taking
And somebody's heart may be breaking
Oooh, but we can't stop what's inside us
Our love for each other will guide us.

So I'll be your friend
And I'll be your lover
'Cause I know in our hearts we agree
We don't have to be one or the other

I've been through you
You've been through me
Sometimes a friend is the hardest to see
And we always know when it's laid on the line
Nobody else is as easy to find

So I'll be your friend
(I'll be)
And I'll be your lover
Cause I'll be your friend
(I'll be)
And I'll be your lover
'Cause I know in our hearts we agree
We don't have to be one or the other
Oh, no, we could be both to each other.
