Is It Over

Jesse Powell

Your love is as strong
As the widest river is long
And here stands the man, the man too afraid
To jump in, so you thought it should endThose pretty eyes never lie
You say it's over, your eyes deny
You're so in control, that's what you think
Why are you fooling yourself, baby, you're not fooling meIs it over
You and I?
Are you truly better off
Without me there by you side?Is it over
You and I?
Something in your eyes
Is telling me not to say goodbyeBaby, if it's over, if it's gone
Stop this world, I don't wanna stay on
If time heals all wound, why is it no use
It's no use at all to my broken heartYou're involved, moving on
And you just get up and leave him alone
It wouldn't be right to do him so wrong
Please don't expect my sympathy
Girl, when you just did that to meIs it over
You and I?
Are you truly better off
Without me there by you side?Is it over
You and I?
Something in your eyes
Is telling me not to say goodbyeI'd like just to be your friend
And hope that someday we'd love again
Sorry but I can't pretend
Because I love you, I love you, I do, I doIs it over
You and I?
Are you truly better off
Without me there by you side?Is it over
You and I?
Only you could say
What you're eyes say to meI ain't goin' nowhere
I'll be right here
If he breaks your heart, I'll be there
I ain't goin' nowhere
It's not over, it's not over

No
