[Bad Company](#)

Im so blind, ooh, I just cant see
What kind of love you expect from me
Let me know, you gotta sort this out
Come on babe, Ive had enough of this doubtI thought I knew what you wanted
Just goes to show I was wrong
Im twice the man that ya, you think I am
This time Im gonna be strong, yeahShake it up, ooh yeah, put the world to right
Shake it up, this gotta be, babe, thats alright
Shake it up, yeah baby, you ran out of luck
Shake it up, yeah, yeah, yeahWhoo, you dont know, ooh, what youve done for me
You built me up, baby, cant you see?
Dont seem right that after all this time
I found out youre no friend of mineYou knew that sooner or later
You knew it deep in your heart
All the troubles that ya, you gave to me, babe
Were gonna tear us, tear us apartShake it up, ooh yeah, put the world to right
Shake it up, this gotta be, babe, thats alright
Shake it up, yeah baby, you ran out of luck
Shake it up, yeah, yeah, yeahYou had me searchin for answers
You had me livin from day to day
I guess you ran out of chances
Whoo babe, there was no other wayI thought I knew what you wanted
Just goes to show I was wrong
Im twice the man that ya, you think I am
This time Im gonna be strong, yeahShake it up, ooh yeah, put the world to right
Shake it up, this gotta be, babe, thats alright
Shake it up, yeah baby, you ran out of luck
