Spacetrain (Ambient Mix)

Camouflage

Heaven is a miracle,
Watch out everything!
A car comes from the right.
Cops are a miracle,
Watch out everything!
A car comes from the right.
Symmetry's a miracle,
Watch out everything!
A car comes from the right.
Manners are a miracle,
Watch out everything!
A car comes from the right,
Watch out!
A car comes from the left,
Watch out everything!
Mammae are a miracle,
Junk food is a miracle,
Miracles are miracles.
Watch out, watch out!
