

One Man's Opinion

Lisa Layne

He says I look pretty
He tells me Iâ€™m smart
Somethingâ€™ about me has captured his heart
He says that our love
Is destined to be
As long as one river
still flows to the sea

(Chorus)

Well thatâ€™s one mans opinion
Not chiseled in stone
And the world could care less
If heâ€™s right or heâ€™s wrong
Itâ€™s just one mans opinion
But thatâ€™s all that I need
As long as that one man
Is in love with me

To him it donâ€™t matter
Which clothes that I wear
He likes whatever
I do with my hair
His favorite thing
Is watchinâ€™ me dress
He says my lovinâ€™
Is simply the best

Well heâ€™s right there beside me
Whatever I do
Heâ€™s got this silly notion
That I hung the moon

(Chorus)

Well thatâ€™s one mans opinion
Not chiseled in stone
And the world could care less
If heâ€™s right or heâ€™s wrong
Itâ€™s just one mans opinion
But thatâ€™s all that I need
As long as that one man

Is in love with me

Yes one mans opinion
Is all this woman needs
