

# BLUE TEARS

## Jimmy Thackery And The Drivers

Now I know that I must leave  
And I can't remember when I ever felt so great  
It was my time spent with you before the war

but now these blue tears  
They keep falling  
Falling down from my lonely eyes  
They're falling for you

I can see the ship's reflection in your eyes  
From behind me  
Telling that I have no other way  
And it was hard to turn and leave

Now these blue tears  
They keep falling  
Falling down from my lonely eyes  
And they're blue tears  
They keep falling  
Falling down from my lonely eyes  
Falling down from my lonely eyes  
And they're falling from my lonely eyes  
They're falling for you
