

Lorraine

Satellite Stories

I can't believe I fell in love
With someone new, I've never seen
Lorraine is her name and she lives far away
To southern California I'll take the planeIt was near the holidays
Few days before it started
I've spent all my days
Dreaming, dreaming
Of something great to come
And everything was undone
Until I felt from toes to head
It was in the air
I can't believe I fell in love
With someone new, I've never seen
Lorraine is her name and she lives far away
To southern California I'll take the planeAnd I came all this way
To see you smiling like on Sunday
My dreams come true
When we're sleeping, sleepingUntil we feel from toes to head
It is in the air
I can't believe I fell in love
With someone new, I've never seen
Lorraine is her name and she lives far away
To southern California I'll take the plane(Oh Lorraine, I'll be there soon
On your door this afternoon)
