When It All Comes Down

Bonnie Mckee

I knew
She knew
We both knew that someday all of this would end

I tried to help
But all I seem to do is hurt
Not only her but myself

And someday
IÂ’ll be on the road again
And someday
IÂ’ll meet you at the top my friend
DonÂ’t cry, donÂ’t cry
Although I know itÂ’s hard to comprehend, oh
DonÂ’t cry, donÂ’t cry

IÂ’ll hold your hand if you hold mine
When it all comes down, oh
DonÂ’t close your eyes
IÂ’ll hold your hand if youÂ’ll hold mind
When it all comes down
And take a big deep breath

It feels so empty
Without my hand intwined with yours
I donÂ’t know where to go
Cause IÂ’m all alone
AinÂ’t got nobody by my side
You hear me, no one

And someday
IÂ’ll be on the road again
And someday
IÂ’ll meet you at the top my friend
DonÂ’t cry, donÂ’t cry
Although I know itÂ’s hard to comprehend
DonÂ’t cry, donÂ’t cry

IÂ’ll hold your hand if you hold mine
When it all comes down, oh

DonÂ’t close your eyes
IÂ’ll hold your hand if youÂ’ll hold mine
Yeah when it all comes down
And take a big deep breath

Na na na na na na (when it all comes down IÂ’ll be there, there is nothing for you to fear)
Na na na na na na (when it all comes down youÂ’ll know youÂ’ll never have to stand alone)

I know youÂ’re feeling afraid girl
I know youÂ’re feeling alone
But when you feel you canÂ’t make it on your own, yeah yeah

IÂ’ll hold your hand if youÂ’ll hold mine
When it all comes down donÂ’t close your eyes
IÂ’ll hold your hand if you hold mine yeah when it all comes down and take big
Deep breath

Whoa oh yeah oh oh
Yeah, yeah, yeah, yeah, yeah, ohhh oooh ooh
