

Find My Way (Oneohtrix Point Never Remix)

Nine Inch Nails

All of my path has gone astray
I'm just trying to find my way
Wandered here from far away
I'm just trying to find my way You were never meant to see
All those things inside of me
Now that you have gone away
I'm just trying to find my way I have made a grave mistake
Pray the Lord, my soul to take
Those of who we used to be
I can feel them come for me Looks as though they're here to stay
I'm just trying to find my way Please, I never meant to
Please, I never meant for this I have been to every place
I have been to everywhere
I'm just trying to find my way
Oh, dear Lord, hear my prayer
