Overthinking

ROMANS

[Verse 1]
If ever you should need some time on your own
Remember the many who have fallen, but they have survived
The ignorance and comfort your bones and mine, oh[Pre-Chorus]
When you're overthinking everything
And understanding nothing
When I should be standing right beside you[Chorus]
Oh, there ain't no use in overthinking love
Oh, the minute that you do, it's over
Oh, there ain't no use in overthinking, overthinking
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh[Verse 2]
It's hard work measuring your life by the times that you fail
That every silver lining is in the detail
A stitch in time will pull the wool over your mind, oh[Pre-Chorus]
When you're overthinking everything
And understanding nothing
When I should be standing right beside you[Chorus]
Oh, there ain't no use in overthinking love
Oh, the minute that you do, it's over
Oh, there ain't no use in overthinking, overthinking
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh[Bridge]
One second and I leave it to my own devices
Too many things and I left so undecided
Oh, oh, oh, oh[Chorus]
Oh, there ain't no use in overthinking love
Oh, the minute that you do, it's over
Oh, there ain't no use in overthinking love
