

Turn My Swag On

Soulja Boy Tell 'Em

Hopped up out tha bed
Turned ma swag on
Took a look in tha mirror said wassup
Yeeeeea I'm gettin money (ohh) [x2]

Turned ma swag on,
And my time to turn it up
Yeeeeea, yeeeea
I put my team on, then ma theme song
Now it's time to turn it up
Yeeeeea, yeeeea

I got a question why they hatin on me,
I got a question why they hatin on me
I ain't did nothin to em, but count this money
And put my team on, now my whole clic stunnin
Boy wassup, yeeeea
Boy wassup, yeeeea

When I was 9 years old, I put it in ma head
That I'm a die for this gold
(Soulja Boy tellem)
Boy wassup

Hopped up out tha bed
Turn ma swag on
Took a look in tha mirror said wassup
Yeeeeea I'm gettin money (ooh) [x2]

I'm back again,
I know a lot of ya'll thought I wasn't coming back...
Yeeeeea, yeeeea
I had to prove them wrong,
Got back in the studio and came up with another hit
Yeeeeea, yeeeea
I told the world my story, the world where I'm from
SouljaboyXL.com, boy wassup
Yeeeeea, yeeeea

Now everytime you see me spit

Every time you hear me rhyme
Everytime you see me in your state of town
Say wassup
Yeeeeea, yeeeeea

Hopped up out tha bed
Turned ma swag on
Took a look in tha mirror said wassup
Yeeeeea I'm gettin money (ooh)
