

Most of All

Anna F.

I wish you joy
I wish you fun
I wish you rainbows
In your sun I wish you
I wish you sky
I wish you rivers
That never cry But most of all
I wish you love
Most of all
I wish you love I wish you clouds
I wish you light
I wish you sweet dreams
In your night I wish you sea
I wish you sand
I wish you stardust
In your hand But most of all
I wish you love
Most of all
I wish you love I wish you peace
I wish you calm
I wish you fortune
In your palm I wish you
I wish you flowed
No matter where you
You may go But most of all
I wish you love
Most of all
I wish you love Most of all
I wish you love
And most of all
I wish you love Which I can say
So I can reach
You'll be a man one day
And you'll go your own way Until then
I wish you all
That you require
I wish you everything
Your heart desires I wish you young
I wish you bold

I wish you time
Down streets of goldBut most of all
I wish you love
Most of all
I wish you loveMost of all
I wish you love
And most of all
I wish you loveAnd most of all
I wish you love
And most of all
I wish you love
