Second Coming

Angels Of Babylon

In the midst of the falling sun
The judgement has begun
The trumpet sounds for the chosen ones
and all that do believeHide your face away
The second coming is today
Demons kneel and pray
Forgive me Lord for I'm unsavedStanding on the edge of forever
with the damned I am led
And I realize that my whole life
was nothing but a lie
Hide your face away
The second coming is today
Demons kneel and pray
Forgive me Lord for I'm unsaved
Falling far from the light
Sinking deeper in night
Leaving all that's aliveOut
