

I Don't Wanna Be

Lloyd

I'm so sorry.I'm tired of playin' things like this.
You deserve more than that.
I'm lookin' at the man in the mirror,
I'm ashamed of who's starin' back.
I don't wanna do you like this,
But her body be callin' me.
And somethin' makes me pick right up.
I'm fightin' what's in front of me.I don't wanna be that, be, be that.
Must be out of my mind, with that chick on the side,
In the passenger side of the ride.
I don't wanna be that, be that.
Can I be what you need? When I'm out in the streets?
Shoulda had you here with me.
I don't wanna be.I'm not the type to stay at home all day.
When your down to know, time is what you need.
And I really wanna give you that
I love you, but strugglin, I can't
Be somethin that I ain't.
I wanna give you me,
But me be in the streets,
I like to be free.
Girl I need you with me.
So I cheat.
I try to fight this urge in me.
I need you to believe, causeI don't wanna be that, be that.
Must be out of my mind, with that chick on the side,
In the passenger side of the ride.
I don't wanna be that, be that.
Can I be what you need? When I'm out in the streets?
Shoulda had you here with me.
I don't wanna be.See, it's like I conflicted.
Cause I wanna be home with you,
With the girl I love,
But I still wanna kick it.
So fellas, if you feel what I'm feelin',
Sing along.I don't wanna do you wrong,
I don't wanna do you wrong.
Promise that I'm comin' home,
Promise that I'm comin' home.

I need you girl don't leave me 'lone,
I need you girl please don't leave me 'lone.
Listen to the words of this song.I don't wanna be that, be that
Must be out of my mind, with that chick on the side
In the passenger side of the ride.
I don't wanna be that, be that.
Can I be what you need? When I'm out in the streets?
Shoulda had you here with me.
I don't wanna be.I don't wanna be. [until fade]
