

# Get It In

## Circuit Assassins

I took her to the Eiffel Tower but we didn't go to France  
She took a ride up on my scooter but she didn't use her hands  
And she told us she was nervous but I said we could be friends  
So she said I never do this but today get it in You ain't gotta' take me out go head' get it in

Get it in, get it get it in, get it

Get it in, get it get it in

Get it in, get it get it in

You ain't gotta' take me out go head' get it in

Get it in, get it get it in, get it

Get it in, get it get it in, get it

Get it in, get it get it in

You ain't gotta' take me out go head' get it in

She said my throat is kinda' dry so could you pass over the whiskey

I must have poured it on her stomach cause' she said I think you missed me

Really roped it like a rodeo and S&M guy

We be in disguise like Optimus Prime

Optimus shine for and Optimus guy

We be having ourselves an Optimus time

Got an optimal end she an optimal 10

She said I never do this but today get it in You ain't gotta' take me out go head' get it in

Get it in, get it get it in, get it

Get it in, get it get it in

Get it in, get it get it in

You ain't gotta' take me out go head' get it in

Get it in, get it get it in, get it

Get it in, get it get it in, get it

Get it in, get it get it in

You ain't gotta' take me out go head' get it in

Get it in...I took her to the Eiffel Tower but we didn't go to France

She took a ride up on my scooter but she didn't use her hands

And she told us she was nervous but I said we could be friends

So she said I never do this but today get it in Get it in...

You ain't gotta' take me out go head' get it in...
