Brace

Ee

I could sit and cry
I am never mad
I am burning up
I am broken upBrace yourself
Brace yourselfCome on play again
Don't just stand and stare
I keep calling you
You keep taking inBrace yourself
Brace yourself
Brace yourself
Brace yourselfFor this
For this
I can brace myself
For this
I can brace myself
For thisYeahBrace yourself
Brace yourself
Brace your-self
For this
For this
For this
For this
