

# By the Heat of Your Light

## Juliette and the Licks

I come around like a little cat  
First passed the lake, imagine that  
Don't leave my dish outside  
I wanna eat by the heat of your light I woke up just a little too late  
You softly walked away, shut the gate  
Don't leave my love in the dark  
I still feel the beat by the heat of your light The letters I sent, went unreturned  
Like plucking the wings of a baby bird  
I wonder where it all begins if it will ever appear again  
Come rock me to sleep by the heat of your light
