I Nominate U

Fantasia

I been thinking 'bout this all day long
Can't believe how Im gone and my minds blown off of you
Im anticipating, when youre coming home
See tonight were 'bout to try out something newSomething sexy baby
I was thinking role play if youre ready, boy get ready
Let's see you be Denzel
It's your training day boy come and get me, are you with meLet's keep the lights on 'cause tonight I wanna watch you perform
(Watch you perform, let me see whatcha got for yo girl now baby)
When I turn you on you steal the show boy you should get an award
(And as a matter a fact boy you know that I do)I nominate u, can't no other brother put that thing down like you do
Aint no other way to say it baby youre the truth
Keep doing what you do, Im nominating you, oh boy, ooh, I nominate u
For the best kissing and love scene, for the best sequel that Ive seen
You know what I mean boy youre the truth
Keep doing what you do, Im nominating you, oh boy, ooh, oh boyBoy you keep my attention, you make me stay tuned
And now all I ever wanna do is keep on watching you
I like how you do it, when you make it move
You make my body react, wanna run it back, one on one with youWhen were alone the
Only sound you're hear is me say ooh, ooh
Won't be talking, no more
Only love may get from there, but thats the rules
Boy you know it feels to do, heyLet's keep the lights on 'cause tonight I wanna watch you perform
(Watch you perform, let me see whatcha got for yo girl now baby)
When I turn you on you steal the show boy you should get an award
(And as a matter a fact boy you know that I do)I nominate u, can't no other brother put that thing down like you do
Aint no other way to say it baby youre the truth
Keep doing what you do, Im nominating you, oh boy, ooh, I nominate u
For the best kissing and love scene, for the best sequel that Ive seen
You know what I mean boy youre the truth
Keep doing what you do, Im nominating you, oh boy, ooh, oh boyHe keeps it real with me, he ain't gotta front man
Dont need no body double, he does his own stunts man
Scream action in the bedroom and he keeps it jumping
Soon as I yell cut, he wraps it up and there's no stuntmanI nominate u, can't no other brother put that thing down like you do

Aint no other way to say it baby youre the truth
Keep doing what you do, Im nominating you, oh boy, ooh, I nominate u
For the best kissing and love scene, for the best sequel that Ive seen
You know what I mean boy youre the truth
Keep doing what you do, Im nominating you, oh boy, ooh, oh boyYou're the best man and when we make love
It's never over too fast leaving me furious
I'm talking on my mandate, the role you played, hey
I nominate u, let me be your true, that be the day, yeah
