

True Romance

Motion City Soundtrack

You better believe it's true
You know I do I do
You better believe it's true
You know I do I do I'm a screw-up of epic proportions
A walking hand grenade
Hyper-manic, a dime store dramatic
A conduit for pain She said "Don't speak, don't think
just take it off, take it off"
I said "Don't speak, don't think
just mess me up, mess me up" You better believe it's true
You know I do I do
You better believe it's true
You know I do I do (Don't speak, don't think, just take it all) I'm pathetic, overly apologetic
I'm a tight-rope tragedy
You're chicken little, I'm a monkey in the middle
There's something wrong with me She said "Don't speak, don't think
just take it off, take it off"
I said "Don't speak, don't think
just mess me up, mess me up" You better believe it's true
You know I do I do
You better believe it's true
You know I do I do You better believe it's true
You know I do I do
You better believe it's true
You know I do I do Humming a slightly varying tune
Opposite angles of the moon
Buried in layers of ourselves
Leaves room for no one else I believe it's true
Cause nothing matters
When I'm all wrapped up in you I believe it's true
Cause nothing matters
When I'm all wrapped up in you You better believe it's true
You know I do I do
You better believe it's true
You know I do I do You better believe it's true
You know I do I do
You better believe it's true
You know I do I do
